

A Message from Truman's President

Choosing Truman State University is a smart decision! **TRUMAN** has been recognized as the No. 1 Public University in the Midwest Region—Master's Category by *U.S. News & World Report's* "America's Best Colleges" since 1998. In addition, *The Princeton Review* this past year rated **TRUMAN** 2nd Best Value in the nation for public universities. Truman is clearly a leader in undergraduate education regionally and nationally.

It is not just the rankings that make **TRUMAN** a high-quality institution. The magic of **TRUMAN** is its intimate learning community where students have access to professors who create in them a love for learning and the lifetime pursuit of excellence.

Our graduates have a very high acceptance rate into graduate programs and professional schools such as medical, law, and business; they also become leaders in business, the arts, medicine, law, and all the other professions.

Choosing Truman State University is a smart decision. I look forward to seeing you on campus.

BARBARA DIXON
President

A BRIEF PROFILE OF TRUMAN

Truman State University is named after Harry S. Truman, the 33rd president of the United States, and the only president to have been a native Missourian. Truman's character, perseverance, and outstanding leadership are qualities that we continue to admire today. We honor President Truman by educating our students to pursue their dreams and utilize their talents to the fullest. In doing so, we fulfill the vision for education that President Truman had over a half century ago.
