

Living in the Ville

Residence Life

Kirkville, Missouri will never be confused with New York, London, or Paris, but those cities do not have Kirkville's Midwest American charm. Located in northeast Missouri, Kirkville is a safe and friendly town with the right mix of rural living and modern university life. There is a good chance that you, like many Truman students, will spend a significant part of your undergraduate years volunteering and working in Kirkville. You cannot ask for a better living environment for your college experience – safe, friendly, welcoming.

At Truman State University, we make the transition from home to college life as smooth as possible by developing an environment of respect, responsibility, and accountability for our students in our residence halls. Within safe, comfortable, and intellectually engaging living communities, we nurture students to become productive citizens and life-long scholars. Hall amenities include wired and wireless internet, computer labs or workstations, common use kitchen facilities, vending areas, laundry rooms, cable access, and more.
